Agenda Topics:

Meeting started at 6pm and the following topics were discussed.

Updates:

1. Concessions - Thanks to all that have volunteered for a shift. It is improving.
2. Away Game - Team Snacks (including Gatorade and a snack) cost about \$100 for both teams. Type of snack varies. Coaches agreed that this is going well.
3. Home Team - Concession treats including one food item and one beverage (maximum \$6 for each player/manager). This is going well. Please keep in mind that this is why concession volunteers are needed to assist with providing all of our athletes with their allotted snack and drink.
4. Team Meal Donations - Dillas
 - How were the meals provided yesterday? Dillas dropped off comp meals for the boys and girls teams to try on Tuesday (1/23). Players who tried the food did enjoy it.
 - Is this something we can coordinate for the remaining game? Dillas would like the booster club to collect the orders and money from the team members to pay and order from them. Thanks to Tammie Perry and Jennifer Dominguez for trying to come up with more meal options.

- o Boys - total gift cost per player is \$67.26
 - i. Action poster (\$30.50)
 - ii. Frame for poster (\$13.48)
 - iii. Smart charger with shelf (\$13.28)
 - iv. Gift card (\$10)

2. Welcome Reception

- o Is this something the Booster Club will sponsor? We decided it would be easier to have refreshment tables in the hall for the parents to partake in while waiting for the recognition ceremony to start. Table will be decorated and include HEB cookies (4 trays total, 2 for each game) and bottled water.
- o What is the maximum spend? Whatever is needed to cover the cost of the cookies and water. We have decorations that can be used.
- o Who will coordinate this event? Angela Jones and Jackie Onyango. Jennifer Dominguez and Andrea Stanley will assist. Coach Anderson also said that the sub varsity girls can help if needed for the girls senior night. The freshman girls team does not have a game that night.

Year End Banquet

1. Location Secured:

- o Frisco ISD Athletics Admin Building has been secured for March 27th from 6:30 pm, 4:30 pm, board will be eating at 6pm for board and volunteers that set up. More hands we have the faster it goes.

2. Catering Vendor:

- o Suggestions? Need to decide on a caterer for the end of year banquet.
- o Who would like to take the lead on calling to get quotes? Jackie Onyango volunteered to call around for catering estimates for approximately 150 people.
- o Will the Booster Club sponsor part of the food costs?
- o If so, what will be the maximum spend?
 - i. Last year we charged \$15 per banquet ticket. We need to decide on one of the following:
 - ii. if we want to increase this price point in order to hire better caterers, or
 - iii. if we want to cover the additional cost for different caterers, or

- iv. if we want to use the same caterers as last year or one with a similar price point

Playoff Shirt Order

- Preparation to place the order on the behalf of the entire program and staff for each program.
 - Booster club sponsors the shirts for players, coaches, managers, principal, and assistant principals.
 - Brian will get with Gandy Ink to make sure they have everything setup and ready to go.
 - Coach Anderson will design the girls playoff shirts.
 - Coach Connor would like to choose from 3 options for the boys.

Additional Topics/Questions:

- We will also cover playoff meals for players, managers, and coaches.
